

# FOUR USES FOR YOUR VCD LABS KIT

## STOP WALK OUTS

How would your earnings be affected if just 10% of walk-out patients purchased a complete eyewear set from you?

## VCD PLUS PLANS

Still the best reimbursements from exam to eyewear, now at a time of service cost for patients that is unmatched in the industry.

## SECOND PAIR SALES

Backup glasses, prescription sunglasses, and computer glasses can be affordable for patients and a huge revenue stream for you.

## LOW COST HIGH VALUE

Low value vision plans leaving your patients with hundreds in out-of-pocket expenses at time of service? Use VCD to provide an ideal solution for you and your patient.
